WHO WE ARE

BREXENDORFF & ASSOCIATES (B&A) is a One-Stop-Shop solution provider structured as a Swiss Association, which is focusing on supporting, creating, promoting and developing clients' business in emerging markets, leveraging its vast global network especially in the Middle East and North Africa, the Americas, Asia, Africa, Eastern Europe and the FSU.

B&A members have as well an impressive track record of supporting investments from those regions into Europe or North America.

With decades of experience in matters of legal, tax, business development, accounting, administration and governmental support services, project finance and human resources support in those regions **B&A** provides a comprehensive and competent full range of services to companies and individuals.

B&A is here to help our clients to grow, succeed and establish a footprint in the relevant business market.
